The service Watching is conducted by Groth & Co KB. Since our main sources for information are registers and documents created by others, we have no control of how the information is retrieved or selected. The further selection and reports are based upon our experience and knowledge of the laws of intellectual property and practice. Due to the subjective nature of this field, we cannot guarantee the coverage and selection of hits for report in our service Watching. Our responsibility for damage related to our service Watching, is limited to reimbursement of the charges for the same.
